

REMARKS

The Examiner is thanked for entering the Examiner's Amendment mailed with the Notice of Allowance on June 2, 2006.

Claim 22 has been amended herein to correct an inadvertent clerical error. Specifically, in line 17, the phrase

“generating a marshalling module...”

has been changed to

--means for generating a marshalling module...--.

This amendment to Claim 22 is introduced to conform the claim to proper “means+function” format. Thus, this amendment does not affect the merits of allowability of Claim 22 and further consideration of this claim is not required.

For the foregoing reasons, entry of the amendment to Claim 22 is respectfully requested. The Examiner is respectfully requested to contact the undersigned by telephone if it is believed that such contact would further the examination of the present application.

No fee is believed to be due in connection with this paper. However, if any applicable fee is missing or insufficient, throughout the pendency of this application, the Commissioner is hereby authorized to charge any applicable fees and to credit any overpayments to our Deposit Account No. 50-1302.

Respectfully submitted,

HICKMAN PALERMO TRUONG & BECKER LLP
